Agri Assist - Smart Market Optimizer

Sales Forecasting

A time-series forecasting project (ARIMA) analyzing sales trends of fertilizers and pesticides to optimize inventory management.

ABOUT ME

I'm **Pooja Selvaraj**, a passionate student pursuing **B.Sc Data Science**. I love exploring emerging technologies, solving real-world problems, and applying analytical thinking to create impactful solutions. Alongside my academics, I enjoy *dancing, reading books,* and bringing out my *artistic talents*. This portfolio highlights my academic journey, skills, and mini-projects.
